06. OPTIONS

A large, modern swimming pool with a sliding deck cover installed. The pool is surrounded by a concrete deck and a modern house with large glass windows. The cover is a light beige color with a dark border. The text 'S-LIDE™' is overlaid in large white letters.

S-LIDE™

3-IN-1 SLIDING DECK POOL COVER

Optimize your pool space over the seasons.

OPTIMIZATION

A clever three-in-one sliding pool cover, patio and deck solution that makes the most of the pool area square footage.

SAFETY

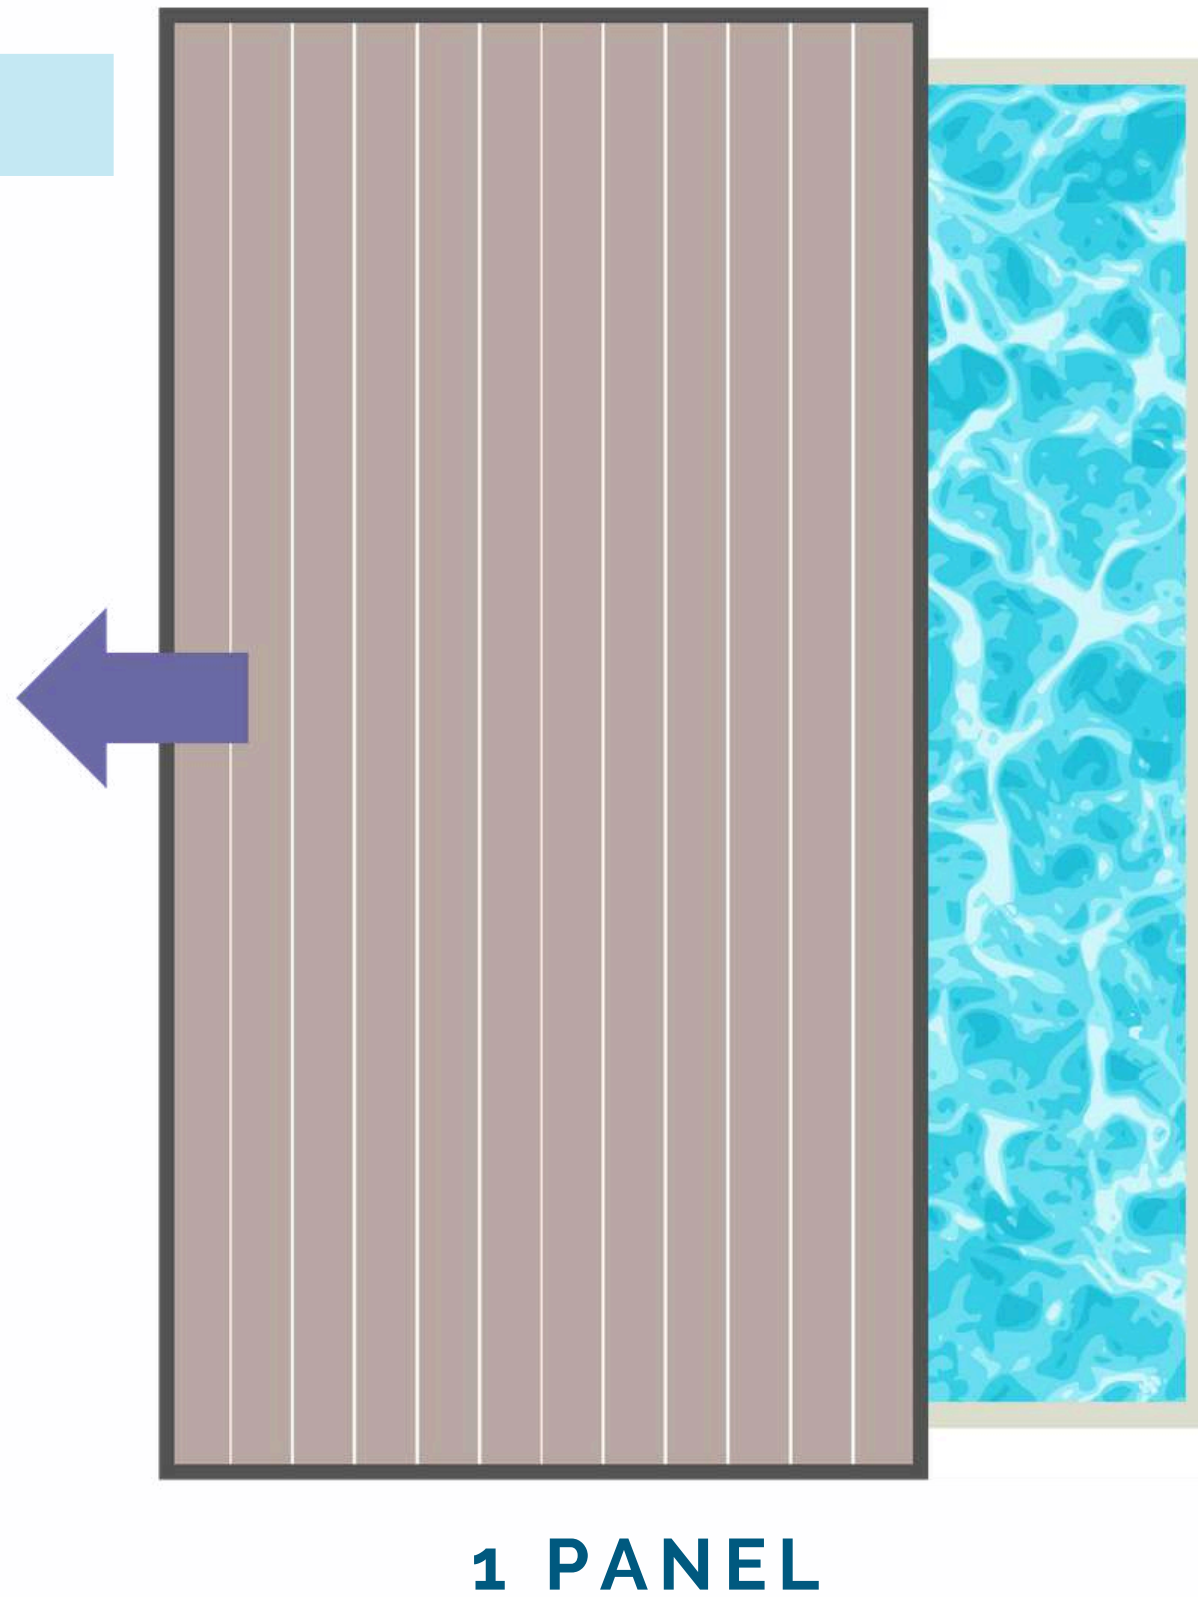

The sturdy deck supports high loads and turns your pool into a safe space for children and pets as well as entertaining guests.

SUSTAINABILITY

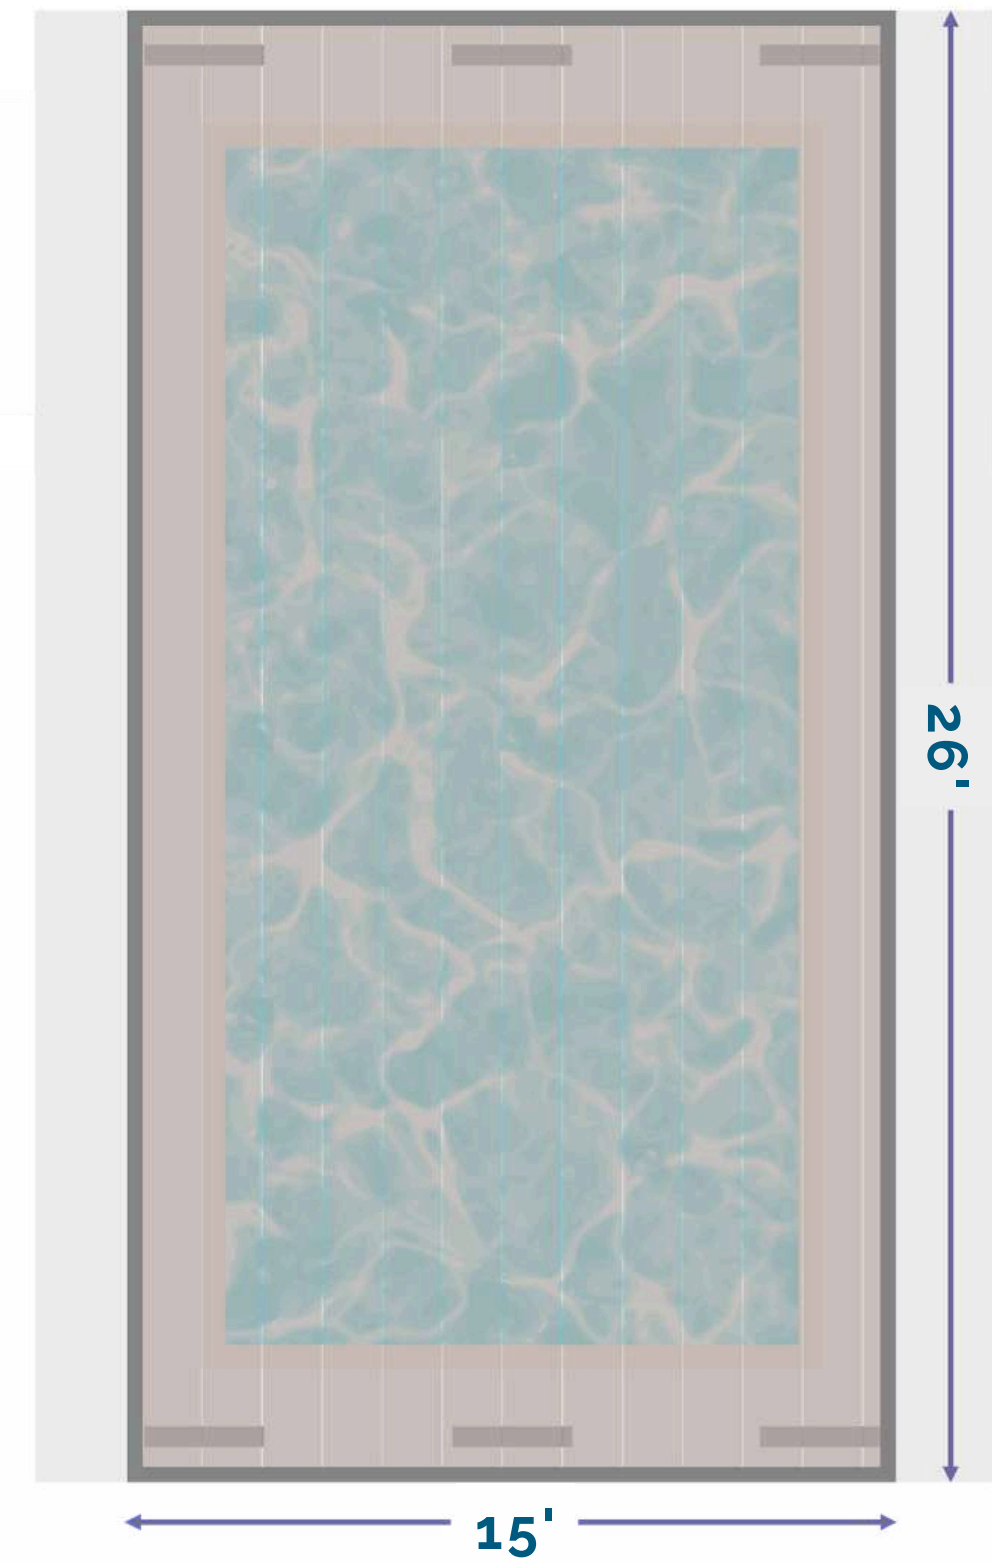

By keeping your pool covered, you greatly reduce water evaporation. No more wasted time restoring proper water and chemical levels!
